In the Contest took part 49 diaporamas by 21 authors from 9 countries: Australia, the Netherlands, France, Great Britain, South Africa Republic, Italy, Republic of Slovakia, Belgium and Poland.

The Contest itself, as the oldest one Poland, continues the 41 years long tradition of Pomeranian Meetings with Diaporama. The jury members want to express their satisfaction from the fact that this year competitions came from several continents. In spite of strong international competition, diaporamists from Poland continue to keep high level of their works. We thank you for taking part in the Contest and do wish further success in your creative work.
